Rupam

Singing a new tune

It was a different tune for singer-songwriter **Rupam Islam** as he helmed a project that saw differently-abled kids from the city put up a stunning musical spectacle at an auditorium, recently.

The evening kickstarted with the screening of a clip that saw lesser

privileged children singing tracks from *Condition Free*, Rupam's unreleased album that also contains numbers sung by Surojit, Anindya, Sidhu, Rupankar and Neel Dutt. "These kids are our country's assets," said an emotional Rupam, after the show got over.
